WILLARD'S HEAD PACKED IN ICE; DREAM SHATTERED

Dempsey's Fists Wreck Movie Plans As Well As Willard's Face.

SEEK NEW CONTENDER FOR TITLE TO MEET DEMPSEY

Champion Probably Will Accept Vaudeville Offer at Once.

Toledo, July 5.—There was a difference of fifty six pounds in the weight of Jess Willard and Jack Dempsey when they entered the ring for their heavyweight championship contest yesterday. This was revealed today when all camouflage was stripped from the Dempsey weight question. The new champion weighed 187 pounds while Willard scaled 243 pounds.

Toledo, July 5.—Although a new heavyweight champion has been crowned in Jack Dempsey and the exodus of fight fans has depopulated Toledo hotels, the controversy still rages over the sensational defeat of Jess Willard here yesterday afternoon.

So many unusual angles developed in these rounds of terrific fist-fighting that practically no two spectators saw the bout alike. The confusion attending the bout at the end of the first round when Dempsey left the ring believing that he had won by a knockout, and the payment of such wagers that hinged on when Willard was stopped, furnished unlimited material for argument.

So weak was the sound of the gong and so great the uproar about the ring that Referee Peckard failed to hear the bell and continued to count over Willard as he sat on the chair floor near a neutral corner. Although Timekeeper Barbour ordered the clang when Peckard's arm was falling for the seventh time, the referee notified Dempsey that he had won and the Salt Lake City pugilist was well on his way to his dressing room before his manager overtook him and told him that he was in danger of being disqualified on a technicality for leaving the ring.

The question of which round Dempsey won his new title was placed before several veteran ring officials by men who had waged on stakes, and the consensus was that Dempsey stopped Willard in the third round, as the latter's second round of the ring before the bell rang for the beginning of the fourth session. These same men pressed out several other interesting features. They stated that it was the first time that a heavyweight champion had ever admitted defeat without leaving his chair as well as the shortest heavyweight championship combat of modern ring history.

Dempsey was pressed out much in evidence about the downtown section followed by a wildly enthusiastic and cheering throng of admirers. When he appeared for dinner at the leading hotel the corridors were a mass of swirling spectators who packed in from every corner as he broke training and dived in a manner entirely different from the simple menus of the past two months. At the same hour his dethroned opponent was resting in his temporary home in a residential section, with his battered head packed in ice bags and cut-off from communication with the outside world by a guard that even the telephone could not penetrate. He was examined by the boxing commission physician soon after his return from the ring. The latter stated officially that Willard was not seriously injured and (Continued on Page 8, Col. 3.)

ITALIAN SOLDIERS FIRE UPON LOOTERS

Florence, July 4.—Carabinieri fired upon crowds here today dispersing the looting of the shops are widespread. Strengthened by the rowdies the crowd has abandoned itself to the general sacking of all shops without distinction, destroying what it is unable to carry away. The main street is flowing with petroleum, wine, beer and olive oil.

Wherever the chamber of labor is able to exercise authority, goods are being transported to the warehouses under the red flag, even train cars being pressed into this service. Large quantities of supplies are being turned over to the municipality in the Piazza Signoria, the chief square of the city. Money taken from shops is being utilized in the care of the municipality of the chamber of labor. Thousands of boxes of matches are being distributed free to the crowds.

GERMANS HEAR U. S. CANNON IN NATIONAL SALUTE

Ancient Forts Guarding Rhine Reverberate With Roar of Fourth of July Salutes.

Coblenz, Friday, July 4.—A salute of 48 guns—one for each state in the Union—bashed out over Coblenz at noon today from the ancient walls of the fortress of Ehrenbreitstein bombing up and down the Rhine and valley, celebrating the Fourth of July in Germany.

This was the first time that American artillery has looked from the famous fortress which tops the 400-foot rock promontory of the east bank of the Rhine opposite the point where the Moselle joins Germany's most famous river. The salute was fired from 35 of the 17th field artillery, and the roar of the same guns was heard before by Germans who opposed the second division at St. Mihiel, in the Champagne, and in the battle of the Argonne. The salute today, however, did not disturb the Germans as the army's plans were well advertised in the newspapers.

The Fourth was celebrated throughout the American-occupied area today. The afternoon was filled with athletic activities, sports, boxing, track meets and ball games, and the evening was devoted to theatrical performances and pyrotechnic displays at the headquarters of various units. For the Coblenz district, Ehrenbreitstein was again the center of attraction in the evening, the 17th field artillery putting on an exhibition of fireworks superimposed anything ever dreamed of by the Germans. American, French, English, and even German fireworks were used, consisting of colored rockets, parachute lights and flares which were used at night as signals.

The Fourth engineers also staged a fireworks display on the east bank of the Rhine opposite army headquarters here, thousands of Americans and civilians being present. The engineers, along the river to watch the blaze of glory in celebration of American independence.

WOMAN FOUND DEAD ON FLOOR OF ROOMS

Mrs. Amelia Wehrly, aged 72, was found dead on the floor of her room Friday morning at the home of Mrs. James Kasper, 28 Western avenue, where she came to stay from her home in Toledo, Ohio. Her death was due to a heart attack. She had been in the room for several days. The body was found by a neighbor who called the police. The coroner's jury returned a verdict of natural causes.

DIRIGIBLE ASKS U. S. DESTROYER TO "STAND BY"

Message From Big Ship Says Petrol is Getting Low.

HAS REACHED AMERICAN COAST ON LONG VOYAGE

Wants Yankee Warship Ready to Render Aid If Needed.

Washington, July 5.—The British dirigible R-34 has asked the navy department if an American destroyer could meet her at the Bay of Fundy and take her in tow if required.

The message was received at the department at 11 a.m., five minutes after one addressed to the British admiralty reporting that the R-34's fuel supply was getting low. The ship was then flying across Nova Scotia against a strong head-wind.

The message to the air ministry which was intercepted at the Otter Cliff naval station, said: "Flying across Nova Scotia. Strong head-wind. Petrol beginning to get short. (Signed) 'Commanding Officer.'"

The message to the navy department signed by Commanding Officer Zachary Lansdowne, U. S. N., for the commander of the dirigible, said: "To navy department, Washington, an commandant second naval district, Boston: Could destroyer proceed if required to southern end of Bay of Fundy and take his majesty's airship R-34 in tow."

Halifax, N. S., July 5.—A wireless message received by admiralty officials here at 12:30 o'clock stated that the R-34 was at the south end of the bay of Fundy, between Yarmouth and the Grand Manan.

Washington, July 5.—Two American destroyers were today ordered to proceed toward the Bay of Fundy to lend any required assistance to the British dirigible R-34, which reported that she was fighting a head-wind over Nova Scotia, with her fuel supply getting low.

The destroyers will put out from Boston with orders to establish radio communication with the dirigible as quickly as possible and also to keep in touch with the Otter Cliff, Me., wireless station.

NAVY SENDS SHIPS TO AID BRITISHERS

Boston, July 5.—The navy converted yacht Salafin sailed this afternoon for Halifax, N. S., to the assistance of the R-34. It is thought that she will come up with the dirigible about 5 o'clock.

The destroyers, Kalk and Ballard, are being made ready at the Boston navy yard to proceed to the Bay of Fundy. (Continued on Page 3, Col. 5.)

HINDENBURG SAYS HE'S RESPONSIBLE NOT KAISER BILL

Commander of German Armies Says He is the Man to Blame After Aug. 1916.

London, July 5.—Field Marshal Von Hindenburg, former chief of the German staff, declared that he is responsible for acts of German main headquarters since August 1916 and also the proclamation of former Emperor William, concerning the waging of war.

He asks President Ebert of Germany to inform the allies to this effect, according to a Copenhagen dispatch to the Exchange Telegraph company.

The field marshal arrived in Hanover on Friday, the dispatch states and telegraphed the foreign message to the German press. The signing of the peace treaty gives the occasion for declaring that he is responsible for the decisions and acts of main headquarters since August 23, 1916, and also that all proclamations and orders of his majesty, Emperor and King, concerning the waging of war were issued upon his advice and upon his responsibility. He says that he is not responsible for the actions of the German army since it was officially assumed that the allies proposed to discuss the terms of the peace treaty. The other leaders, who assumed responsibility for the actions of the German army, were Dr. Theobald von Bethmann-Hollweg, former German chancellor, who held office at the beginning of the war.

WILL LEAD FIGHT FOR RETURN OF GERMAN COLONIES

Dr. Johannes Bell.

Dr. Johannes Bell, who, with Premier Mueller, signed the peace terms for Germany, will lead Germany's cause in the disposition of the German colonial possessions now held by the allies. He holds the post of minister of colonies in the new German cabinet.

GERMAN PARTY TO MAKE EFFORT TO REPLACE WILHELM

Conservatives Issue Proclamation Declaring Intention to Oppose Ebert Government With Whole Strength.

London, July 5.—The German conservative party has issued a proclamation signed by Ernest Von Heydebrand, the party's leader in the Reichstag, stating that the party "declares war on the government and intends to use its whole strength to reestablish the monarchy" according to a Copenhagen dispatch to the Exchange Telegraph company.

CHILD SERIOUSLY BURNED PLAYING WITH FIREWORKS

Match Used to Light Sparklers Ignite Little Girl's Dress—Rescuer Burned.

While attempting to light a sparkler for the Fourth celebration Anna Hoish, 3 years old, was so badly burned when her dress caught fire, that she may die. She is the daughter of Mr. and Mrs. Charles Hoish, living at the corner of South Third and Holiday streets. She was playing in the yard at noon yesterday, when P. J. Fitzpatrick, a neighbor, heard the child cry out. He thought she was frightened as a bug on her dress and hurried to her to find her from her body, probably saving her life. In doing so his hand was badly burned.

The little girl was seriously burned along the entire left side of the body, including the left arm and left leg. Dr. W. C. Banks was called and dressed the injuries, but her condition shows little improvement today.

FIVE KILLED WHEN TRAIN HITS AUTO

Mansfield, July 5.—Five persons were killed, three of whom were injured, when a train hit an automobile in going to a Bible meeting and picnic at Mansfield, Ohio, yesterday.

The train, which was carrying a large number of passengers, was traveling at a high speed when it struck the automobile. The driver of the car was killed, and the other four passengers were also killed. The train was delayed for several hours. The cause of the accident is being investigated.

PRESIDENT GIVES PATRIOTIC SPEECH ON BOARD SHIP

Tells Soldiers and Sailors That U. S. Has Opened July Fourth Franchise to Whole World.

On Board the U. S. S. George Washington, Friday, July 4.—This is the most tremendous Fourth of July ever imagined for we have opened its franchise to the whole world" said President Wilson in a stirring speech to soldiers and sailors massed on the deck of the presidential steamer this afternoon.

The men gave Mr. Wilson three cheers and as he appeared among them and began his address greeted them as "my fellow citizens." It was a striking picture with several hundred khaki-clad sailors crowding the deck, lifeboats and rigging and with the president, bareheaded in their midst. The meaning of the Fourth of July, and the war has borne America's message and liberty and independence to the remotest corners of the earth. He spoke of the future to America and said: "You cannot earn a reputation like that and not live up to it."

REVOLT IN PERU OUSTS PRESIDENT; OFFICIALS IN JAIL

Provisional Government Takes Charge of Affairs—Revolution Was Without Bloodshed.

Lima, Peru, Friday, July 4.—Augusto B. Leguia late today assumed office as provisional president of Peru and took up his residence in the government palace as a result of the successful overthrow of the government of President Pardo. Senator Pardo, all his ministers and a number of high officials of the army and navy are in prison, having been detained in the presidential palace.

Virtually no fighting and no casualties marked the overthrow of the Pardo government. Senator Pardo, all his ministers and a number of high officials of the army and navy are in prison, having been detained in the presidential palace.

The revolution began at 2 o'clock this morning with an attack on the palace by two regiments of troops and a force of police. By six o'clock President Pardo had been disposed and Senator Leguia replaced provisional president. The movement was similar to that which resulted in the overthrow of President Guzmán overthrown on February 4, 1914.

It was announced here today that President Pardo would be placed on trial on charges of having violated the constitution and of having conspired against the institutions of the Republic. It is believed that the government, in order to obey the order of the supreme court, in the habeas corpus proceedings in connection with the revolution, will place Pardo in a place of confinement. Another charge against Senator Pardo that is being attempted to purchase the votes of members of congress in order to carry out his plans to amend the constitution of Peru is president and to place the candidate of his own party in power.

The inauguration of Senator Leguia as president of Peru probably will take place within two months. The provisional government claims that the revolution was a peaceful one and that there was no bloodshed. The revolution was a peaceful one and that there was no bloodshed.

TRIBUTE IS PAID TO VETERANS OF GREAT WORLD WAR

City Honors Men Who Helped to Subdue Germany.

200 VETERANS MARCH IN FOURTH OF JULY PARADE

Double That Number Enjoy Banquet At K. of P. Hall.

Newark and Licking county yesterday honored a young veteran of the world war. A 12 hour program, which included a parade in which the veterans were given an honored place, a dinner at which 400 of the young soldiers ate fried chicken and other good things, band concerts and a grand gala in Hudson avenue, was carried out by the committee of citizens named by the mayor.

The excessive heat had much to do with the size of the crowd and kept many of the veterans and most of the organizations from the parade. None of the labor unions took part in the events. About 200 of the returned soldiers, all in uniform, marched over the route which included the victory arch in West Main street where victory girls picked the soldiers with flowers.

Acting as honorary escort for the new veterans, were the grizzled warriors of the Civil War, represented by Companies A of Columbus and B of Newark, Old Guard.

The Columbus company arrived in the city this morning and its members were honor guests of the Newark company.

The parade moved at 2 o'clock and was not of long duration as many of the organizations which were expected to take part, failed to turn out.

The Columbus Old Guard drum corps led the parade being followed by the Columbus and Newark veterans of the Civil war.

Then came Newark's and Licking county's world war veterans, soldiers, sailors and marines.

There were about 200 soldiers and marines in uniform, and about 50 sailors. Besides these men who marched in a group there were a number of men in civilian clothes who marched with the various bands.

Other organizations appearing in the parade included the uniformed degree team of Red Men, Uniformed Rank Knights of Pythias, United Commercial Travelers, Loyal Order of Moose, and a group of elks members who carried a large American flag on which money was raised for the Salvation Army fund.

Included in the parade was a number of floats, advertising the Salvation Army fund, the War Savings stamp drive, etc.

The memorial float consisted of a large wreath of "Flanders Poppies," mounted on an automobile covered with white cloth.

The impressive float was that of the Newark lodge of Elks, which consisted of a large elk around which was arranged a thicket of potted palms.

400 SOLDIERS EAT DINNER AT K. P. HALL

With happy eager smiles in spite of the intense heat nearly 400 soldiers, sailors and marines filed into the banquet hall of the Knights of Pythias temple, Friday evening at 5:30 o'clock when a dinner was served them as guests of Licking county.

The refreshment committee, under its chairman, James Griswell, labored hard to make the event the great success it was. Rows after rows of tables comfortably arranged filled the hall, and each was graced with baskets filled with summer flowers. On the stage was a handsome floral arrangement by Ben McCracken, of hollyhocks. The flowers for the tables were donated by Halbrooks, Kent Bros., and Duers.

The women of the First Presbyterian church with the committee served the menu. The tables had cold meats, cheese, pickles, olives and rolls on them when the men were seated, and the plates containing the fried chicken dinner was served.

It was an inspiring sight as the men who had seen service gathered at the long tables, blue and red, and each with a glass of beer and a plate of food. The men were seated, and the plates containing the fried chicken dinner was served.

FURNITURE PLANT TO BE ENLARGED

Report Says New Buildings
Are to Be Erected and
Force Increased.

It is understood that the Newark Ohio Furniture company is contemplating an expansion of its plant in South Sixth street, with new buildings and an increased output.

When the officers of company were asked concerning the improvement it was stated the company had no intention to give out at the present time. However recently in council the company asked for permission to construct additional side tracks, indicating its intention to erect new buildings.

The company has been operating for some time the entire attention being devoted to the manufacture of dining room furniture. Whether it intends extending the scope of its work is not known, but additional men will be employed.

It was also reported that the Chamber of Commerce had been asked to assist the company in its enlargement plan.

16 DROWN WHEN BOAT HITS STUMP IN LAKE

Madison, S. D., July 5.—Nine bodies were recovered today from the wreck of the pleasure boat "Edgar" which struck a stump in Lake Madison last night after striking a stump. It was estimated that 32 persons were aboard the boat when the accident occurred. Reports say seven bodies are still in the water.

Early today the lake in the vicinity of the spot where the boat foundered, was being dragged and it is expected that more bodies will be recovered before noon.

Sixteen of the passengers succeeded in reaching shore.

The passengers aboard the boat were residents of towns and villages near here who had come to the lake for the Fourth of July celebration.

SUMMER WEATHER TO PREVAIL NEXT WEEK

Washington, July 5.—Weather predictions for the week beginning Monday are:

North and middle Atlantic states, south Atlantic and east Gulf states, west Gulf states, Ohio Valley and Tennessee region of Great Lakes, upper Mississippi and lower Missouri valleys, Rocky Mountain and plateau regions, temperature near the normal with occasional local showers and thunderstorms.

GIRL BURNED WHEN DRESS IS IGNITED

Miss Hazel Wright, daughter of Rev. P. E. Wright of East Main street, had a narrow escape from serious injuries Friday evening.

The children in the family had lighted sparklers near the spring in which she was sitting and a few minutes later feeling heat at her back she found that her clothing was afire. A mildly blouse and her clothing were burned to the skin and her neck and hands were slightly burned.

LEG IS FRACTURED IN TWO PLACES BY FALL

Harry Wilson, living at Dry Creek, had his left leg broken in two places Thursday evening while unloading hay. He was working on a load of hay in a barn, when the rope on the "snapper" broke and he fell from the hay.

The right leg was broken in two places and he was moved to the City hospital in the ambulance where Dr. P. E. Wright is attending him.

Milady's Boudoir

Drink plenty of water, the hotter the day the more water, but never ice cold. Consider nature's toxins before drugs. Fruit phosphates are not only most grateful hot weather drinks, but they have tonic, diuretic and other medicinal properties. Wild cherry has a most satisfactory flavor and dissolves in water. It is a most refreshing twenty minutes in three pints of water, is both food and drink.

Put exceeding value in the restorative qualities of the bath. A sponge with tepid water will always brighten the skin and eyes. An all over soaking in water as hot as you can bear, with a rub down after with some astringent or tonic water, will keep down fat, smooth the skin and invigorate the mind.

Give up the delicious sea bath if you have any skin eruption for this will only aggravate it. Also, eat green food, avoiding anything of an indigestible nature, such as hot bread, greasy dishes and strong stimulants, like coffee or tea or a plentiful pepper of your food.

Pay the utmost attention to the lightness of the clothing. Buy a short lightweight summer corset and leave the strings a little looser than in winter. Have footgear light and easy.

See that the hat is not too heavy as heavy hats invite sunstroke, worried eyes and the ugly line that comes in the forehead. Choose a white frock every time in preference to a dark one, for white resists the harmful influences of the sun rays.

Lastly spend a little time in developing the art of the fan for it is always a graceful one for a woman and in hot weather may be made especially so. Rest, sleep enough, not to much, for sleep that is not needed thickens the blood and dulls the eye. Stay outdoors more than indoors, woo the beauty thought in preference to the disquieting one, love your neighbor as yourself, and all will be well.

Every Day Etiquette

"Should a lady rise when somebody is introduced to her?" asked Betty. "If a lady is seated and a man is presented to her, she need not rise, unless she cares to do so. If two ladies, both being seated, are introduced to each other, both rise, unless one is an invalid or quite old, when both may remain seated. If a younger woman is seated and an older woman is introduced, the young woman rises," helped her aunt.

HOHENZOLLERN'S TRIAL.

(Cleveland Plain Dealer.)
The man who was Kaiser will be tried
in the near future. There is no reason
for delay, and the allies are determined
that the fixing of responsibility for the
war shall be a part of the official record.
It has been made clear enough
that the object of the allies is not to
hang Herr Hohenzollern or to send him
to the rock pile, but to publish to the
world the precise extent of his guilt and
to place him in some secure retirement
where he can never emerge to trouble
the world.

Premier Lloyd George announces that
a trial will be held in London. This
is a peculiarly admirable choice. The
Hohenzollerns and the creatures of their
policy openly aspired to set foot as com-
petitors in the world's metropolis. "Der
Tag" was to be celebrated by the float-
ing of the German tricolor over Trafalgar
Square, the houses of parliament,
and the London law courts. "Der Tag"
will indeed bring the chief Hohenzollern
to London, but it will be the day of retri-
bution and not the day of the triumph
of cavalier militarism over right and
justice.

It is scarcely conceivable that Holland
will offer serious objections to the pro-
gram. Holland has her future to look
to, and she cannot afford to offend the
victorious allies. Herr Hohenzollern
will be handed over like any other in-
dicted criminal.

If there is no further punishment the
humiliation of being extradited like a
felon and compelled to face his accusers
in a court of justice will be a severe
penalty. The overweening pride of caste
and of family which has made the Ho-
henzollerns consider themselves demigods
will be wounded unto death. It will
be a crucifixion sufficiently painful
to satisfy the most vengeful. For the
adversity the mere fact of the trial is
as important as the judgment which
the court may render.

W. S. S. SALE IS
MORE THAN DOUBLE
THAT OF LAST WEEK

Licking county's War Savings
Stamps sale of over \$37,000 this week is
more than double the large sale of last
week. It shows that the people of this
community are awake to their oppor-
tunity to win the Victory shaft. With
the contest more than one-third over
Licking county stands ahead of every
other county in the state. The way to
keep in first place and to win the \$10,-
000 granite shaft is to keep right on
buying W. S. S. and persuade others to
do so. This county can win the prize.
Buy W. S. S. this month and next.

Granville which made a great record
in W. S. S. sales last year is again
running at the 1918 pace. Postmaster
Geach reports sales this week of \$19,492.

Three rural mail-carriers are in the
Mackinac Island lake trip contest: Roy
Crawford of Hanover, Roy Clutter of
Utica, and Oscar Foster of Johnstown.
The carriers' contest ends August 9.

The Victory shaft contest closes Sep-
tember 1. Licking county now leads
all counties in Ohio. Buy W. S. S. now
and keep your home-county in first
place.

James G. Cooper is close to first place
in the state-wide contest among Ohio
mail-carriers. Only one other carrier in
the state is ahead of Cooper, and when
this week's figures are counted it is
believed that the Newark man will rank
first.

The women's W. S. S. organization
was represented in yesterday's parade
by a gaily-decorated float. Mrs. S. B.
Henderson was in charge of the com-
mittee on arrangements for July 4. The
women also had a booth on the square
where War Savings Stamps were adver-
tised and where many subscriptions
were received.

Read the half-page advertisement of
W. S. S. in this issue showing a picture
of the Victory shaft and a telegram
from the state committee showing that
Licking county on July 1 was at the
head of the procession.

The United States government is
about to issue W. S. S. in denominations
of \$100 and also \$1000. This will save
much stamp pasting and will be ap-
preciated by the larger purchasers of
War Savings Stamps.

The women of several townships are
not as yet organized for the July W.

d. S. campaign. In those townships
where the women are not working the
leaders are requested to hold meetings,
form an organization, and write or
phone to Mrs. E. T. Johnson, 403 Hud-
son avenue, Newark.

Karl Greider, 41 Bowers avenue, has
organized a "Bring 'Em Back" club in
honor of Harry J. T. Sommers of
Union street, now in Germany.

Mr. and Mrs. Fred M. Black are
among the recent members of the Limit
club, each having subscribed for 200
W. S. S.

Chas. H. Huber, 61 South Second
street, a member of the 1918 Thousand-
dollar club, has just "gone the limit"
in the present issue of W. S. S.

Henry J. Schmidt, superintendent of
the Consumers Products company, who
pledged \$500 in the women's W. S. S.
drive a few days ago, doubled his pledge
today, thus taking the limit. Mr.
Schmidt remarked: "I want to help
win the Victory shaft for Licking coun-
ty." This is the kind of work that will
do it.

W. W. Gard, cashier of the Park Na-
tional bank, writes:

"Let me take the liberty at this time
to say that you can always count on
this bank being 100 per cent in pushing
this valuable activity to a successful
conclusion, not only for the purpose of
winning the Victory shaft for Licking
county, but to do all it possibly can, be-
yond the point of what might be termed
its part, to maintain the reputation
that the citizens of Licking county have
already obtained in doing everything to
bring every activity to a successful
close. You certainly do have our per-
mission to not only 'insert a line or two,'
but three or four, if you desire, in our
newspaper advertisements, both in your
paper and in the Tribune, to not only
pay but TO KEEP War Savings
Stamps. War Savings Stamps are not
only an investment, but we are con-
fident that they in time will demonstrate
themselves to be a God-send to the na-
tion."

Dr. H. H. Postle is another new
member of the W. S. S. Limit club. Dr.
Postle's purchase goes to the credit of
Mrs. F. S. Wright's Fifth Ward team.

Out in the country a few people are
still asking what the W. S. S. solicitors
are paid. No solicitor receives pay of
any kind. The county chairman is not
paid.

Superfluity.

"You love my daughter?" said the
old man.

"Love her," he exclaimed, passion-
ately. "Why I would die for her. For
one soft glance from those sweet eyes
I would hurl myself from yonder cliff
and perish—a bruised mass upon the
rocks two hundred feet below."

The old man shook his head. "I'm
something of a hypocrite," he said.
"and one is enough for a family like
mine."—London TR-Bits.

NO WOMAN KNOWS
HOW I SUFFERED

Lady Declares She Had to be Taking
Medicine All the Time—Dreco
Best of All.

"No woman knows how I have been
suffering, and how completely rundown
I was," said Mrs. Henry Schad of 123
Elder street, Cumberland, Md.

I simply had no appetite at all and
what little I did eat failed to give me
nourishment. My kidneys were de-
ranged and caused awful pains in my
back, loins and limbs, and my sides
ached terribly. I was so nervous that
any unusual noise caused me to jump,
and I couldn't sleep to do any good,
but would turn over and over in bed.
I was so badly constipated that I had
to take medicine every night, and often
had splitting headaches. The worst
part of it was, the more medicine I
took, the worse I seemed to get.

"This was my condition when I be-
gan taking Dreco on the recommendation
of a friend. I didn't have much
faith in it, but shortly after I started,
I read in the papers the statement of
a lady, whose case fitted mine exactly,
so I believed in it a little stronger.
Since taking Dreco, I hardly know how
to describe the good it has done me,
for it acted more like magic than medi-
cine in my case. All the pains have
left my side and back; my kidneys are
all right, the constipation relieved, my
nerves are quieted and I can sleep all
night long and never wake up. My ap-
petite is fine and the food never dis-
agrees with me, but digests well and
produces strength.

"You can tell anybody what I think
of Dreco, for it has done more good
for me than anything I ever took."

Mr. Dreco, the well known Dreco
expert, has headquarters at Evans' Cut-
Rate Drug Store to meet the local pub-
lic and explain the merits of this great
remedy. See him today.—Adv.

Telephone
Service.

TWO SMALL ITEMS OF COST.

In the list of expense are two more small items to which
we refer only to discuss each of the costs as shown in our
advertisement of June 27.

It cost each \$1.50 telephone user six-tenths of a cent of
that sum for those who did not pay their bills—a most
remarkable record and a negligible sum. It cost the \$3.50
telephone user 1.4 cents.

The month of April 1919, is the month we chose for our
exhibit; first, because it reflected the present telephone
rate while the corresponding month of 1918 reflected the
old and lower rate; second, because operation of that
month was at the rate of wages prevailing before the wage
increase recently granted; third, because it was the latest
month for which we had statistics.

One item, surplus, still remains to be discussed. This
has an apparent cost of 7.05 cents to \$1.50 users and
16.45 cents for \$3.50 users. This surplus is sometimes a
deficit.

In point of fact the months of January, February and
March all show a deficit so that with a surplus of \$564.48
for April 1919, the surplus for the first four months of
1919 was only \$191.26. In other words, this cost of 7.05
cents and 16.45 cents is only apparent—some months this
cost is less than nothing. We only discuss this item at all
so as to include every possible element of cost.

THIEF OVERLOOKS \$400 MONEY BAG

Burglars Enter Granville Postoffice During Celebration But Get Only \$1.10.

Granville, July 5. No clue has been found to the postoffice who jimmied the door of the postoffice at Granville yesterday afternoon and rifled the stamp drawer of \$1.10.

The thieves gained entrance while Postmaster John Geach was assisting in the celebration of Independence Day. The money bag was found in the village. Postmaster Geach had \$400 in a money bag ready to deposit and had placed it on a shelf. This was overlooked by the burglars. The report that the bag contained \$400 was not true. The postmaster keeps that amount of money on hand.

Police officials in Newark were notified and after an investigation were inclined to believe that the job was the work of amateurs.

On the morning of July 4, Granville put on gay holiday attire and the day was one of mutual enjoyment. Homes all over town displayed the patriotic decorations and all entered with zest into the celebration of our national birthday which was more deeply enjoyed because of the overseas victory and the return of our boys who have helped win the right. At 11 o'clock the parade started from Granger street, being led by the Tom Howard band and orchestra of Columbus. Prizes had been offered for fantastic and best-decorated automobiles and floats. The first prize for fantastic was given to Misses Helen Askew and Clara Evans, who represented "Down on the Farm"; second, to Mr. and Mrs. Jud Harmon, who represented an Italian hand-organ and monkey; third, to Harry Bolen. The machine taking first prize was a harvest decoration of wheat, driven by Frank Owen; second prize, Morris Cochran, and third, H. W. Deining. A complete report of prizes will be reported at a later date.

Professor and Mrs. Coons had as guests for the holiday the father of Mrs. Coons, J. T. Willard of Columbus, the mother and sister of Professor Coons, Mrs. Emma Coons and Miss Florence Coons of Pataskala; also, Miss Adah Smith of Pataskala, and Miss Ruth Wilcox of Columbus.

Delbert Pratt and Ward Baker, who have been in France for many months, arrived in Granville, Wednesday evening. Word has been received that Bert Thompson has arrived in New York.

Quincy Williamson and Miss Jessie Grunstein were united in marriage July 4 at the Presbyterian manse, by Rev. Emanuel Breeze. The happy couple left at once for a wedding journey. After their return they will reside at the corner of Broadway and Granger street.

Miss Laura Cook of the Associated Charities of Columbus, and Helen Cook of the normal school at Athens, came home for the holiday and weekend.

The Community Federation of Women will hold their regular meeting in the municipal building, Tuesday, July 8, at 2:30 p. m. It is hoped that this meeting will be largely attended.

J. E. Cochran left for his farm near Marietta, Thursday.

BIG PLANE FAKS TO MAKE TRIP PLANNED

Halifax, N. S., July 5.—The giant Handley Page biplane Atlantic, under the command of Vice Admiral Kerr which left Harbor Grace N. F., yesterday enroute to New York or Atlantic City landed in the streets of Parrsboro at 5:30 o'clock this morning.

Parrsboro (correct) is a town about 25 miles west of here. The Atlantic left Harbor Grace at 4:15 p. m. It is presumed that the big biplane was flown from the intended course across the bay of Fundy as a result of fog. Her schedule called for passing over Halifax at midnight last night.

The airplane was forced to descend owing to engine trouble and in landing was damaged beyond immediate repair. No members of the crew were injured.

Admiral Kerr telephoned to Halifax that everything went well with the biplane until an oil tub burst shortly after 3 o'clock this morning necessitating a descent. The airplane was flown on three engines at a low altitude in an endeavor to select a suitable point to descend. What appeared to be a large open field was finally decided upon for the landing but in coming down a wire was encountered and the under carriage of the machine was badly wrecked.

Admiral Kerr stated that he had no immediate plans for the reason that it would be impossible to repair the machine at Parrsboro. He said the navigating instruments worked well at all times during the flight.

ELKS GET NEARLY \$3000 FOR S. A. FUND

The total subscriptions in the Salvation Army home service fund campaign drive up until noon today totaled \$1,001 and with the fund-raising under the auspices of the Elks, will net approximately \$3000, making the total fund about \$10,000 less than it was hoped to raise—the goal being \$28,000.

The special stunt day yesterday under the auspices of the Elks of which Dr. T. L. Lewis was chairman, was a success in every particular and everyone contributed freely, but it had been hoped to raise about \$5000. This would probably have been accomplished but the excessive heat drove everyone to the shade and there was not as many people on the streets as had been anticipated would be present.

The stunts took place on the southeast corner of the public square, on the streets and at Buckeye Lake. The main event was the sale of chances on the Ford touring car which will be given away tonight and which has had the most successful sale of the year. It is expected to net about \$1100.

The doughnut stand in charge of Mrs. B. F. McDonald and her corps of doughnut girls, netted \$250. People paid any old price for a Salvation Army doughnut, one being sold for \$5. Mrs. Homer Davis was to have assisted in the selling of the doughnuts but was unable to do so because of illness and could not take an active part.

The tag-racing in charge of Byron Dickerson, netted \$266.15. The Twenty-third Century girls were the solicitors and were very successful and faithful and are to be commended for their efforts but the tags fell about \$600 short of what had been anticipated.

The tambourine girls in charge of Chairman A. D. Hess, collected \$190.14 on the streets of the city, and were taken to Buckeye Lake in autos in the evening and collected \$114.55 at that resort.

The Glassblowers' Union carried a large flag in the parade and people along the line of march threw money into it. When it was counted it totaled \$84.41 and this was turned over to the Elks for the fund.

The grocery store with J. B. Brown as manager, assisted by Elks and their friends, will net approximately \$250. It gave away sugar, hams, flour and live chickens, and surely hustled. The boys of the P. M. Sig society assisted at the stand and also at the automobile stand.

The diamond ring contest in charge of Harry D. Hall, who was assisted by a number of young women, will net about \$150. The ring will be awarded at 9:30 o'clock this evening at the automobile stand, opened by the Elks club.

The police amusement fund in charge of Clem Cole, netted \$100. The fund was collected in the afternoon and evening and was very successful. The police paid by Harry Imhoff and were furnished by Elks and their friends. The fund was collected in the afternoon and evening and was very successful. Rengo - Belt Reducing Corsets

SOME CORSETS LOOK GOOD WHEN NEW, BUT SOON LOSE THEIR SHAPE—UNDER THE STRAIN WHICH THE STOUT WOMAN GIVES THEM.

Not so with Rengo Belt Corsets. Their shape is built in—it is not only there when new; it is still there when corsets are well worn out. No woman ever has to discard a Rengo because its shape has gone before full service has been obtained.

Long life and economy, however, are the only features the primary object of Rengo Belt Reducing Corsets is to straighten the abdominal lines of medium and stout figures and mould the hips to avoid the appearance of excess flesh and heaviness—and to do this easily, comfortably, naturally, hygienically.

For Corset comfort and grace of figure wear Rengo Belt Reducing Corsets—if you are medium or stout.

propositions immediately after the bout, but what effect the upset will have upon this arrangement could not be learned early today.

In this connection it can be said that so confident was Willard that he would defeat Dempsey that he had completed preliminary plans to organize a moving picture company and show his own film dramas of great value. The blows of his more youthful opponent are believed to have shattered this scheme, as they did the championship claims of the conqueror of Jack Johnson.

Dempsey has no immediate idea of re-entering the ring for there is no worthy opponent in sight at this time. It is likely that he will endeavor to turn his newly-gained ring laurels into commercial value as has been the custom of all modern holders of the title. It is known, however, that he is ready to defend the championship at any time and it is quite likely that a hunt will be started to find a suitable and drawing antagonist within a few months.

Tex Rickard, promoter of yesterday's battle, when approached on this matter, denied that he had any intention of undertaking such a venture at this time. He said:

"Dempsey is sure to make a popular champion and will in time be called upon to defend his title, but there is no one in sight at present to give him a battle. While he is wonderfully built and Dempsey is not bigger than scores of other men throughout this country and Europe and for that reason will be easier to match than Willard was. The new contenders must first be developed, however, and this will take time. Unless Carpenter of France, or Beckett of England, show within the next few months that the war has not set back their boxing ability we must wait for a new opponent to battle his way to a position where he can demand a meeting with the new champion."

Toledo today began to resume her normal aspect. The thousands of boxing fans who invaded her domain for the big bout were rapidly departing. Almost immediately after the battle long lines of special trains began to leave for the east, west and south, with every berth and section occupied. The excitement continued until after midnight and was resumed early this morning, while almost endless lines of automobiles disappeared down the dust-clouded roads leading out of the city long after the moon had replaced the sun above the superheated haze which overhung the city.

The large staff of accountants began work this morning footing up the ticket and financial totals of the match, and while Promoter Rickard could only guess at the attendance and gross gate receipts at that hour he stated that he hoped to give out a complete statement of the receipts and expenses before tonight.

HERE'S THE BRIEF STORY.
The fighters were called into the center of the ring at 4:07 to face a battery of photographers. After the pictures were made Percord discussed the rules with them and they shook hands and returned to their corners.

Time was called at 4:09. Round 1—Willard landed the first blow, a light left to the head. The champion landed a right and left to the head. Dempsey hooked a left to Willard's stomach. Dempsey missed a left and right to the head. Willard snapped back a right and Dempsey knocked Willard down with a right to the jaw. The challenger tore into him and knocked him down, flooring him the second time and left to the chin for a third knockdown. Willard was saved by the going.

Round 2—Dempsey rushed Willard in the corner pounding him jaw with rights and lefts. The champion's right eye was closed from the blows Dempsey landed. Dempsey walked around Willard carefully measuring him with rights and lefts to the jaw. Willard seemed dazed. Dempsey put three lefts to the head eye. Willard landed a feeble uppercut. Willard's eye was rapidly closing. Dempsey had to be called back into the ring for the second round because he thought he had won the fight. Willard staggered to his corner at the end of the second round.

Round 3—Dempsey hit Willard twice with lefts to the jaw. Dempsey sent rights to the jaw and lefts to the body. Dempsey rushed left to Willard's jaw without return. Dempsey backed the champion to the ropes and hammered him with lefts and rights to the jaw and body. Dempsey put a right and left to the head and had the blood streaming from the champion's mouth. Willard landed a stinging uppercut to Dempsey's jaw and Dempsey rattled with a left to the jaw.

The challenger, although unmarked, was covered with blood which poured from Willard's mouth.

Dempsey hit the champion with a right and left to the jaw and the left hand.

Willard sank in his corner where he was given tonic sprays of ammonia. He revived, tried to smile, and then his seconds surrendered the match.

but an open shop, and the reason it is an open shop: I pay \$27.00 guarantee and 65 per cent on every dollar over \$35.00. The highest guarantee that the barber union has is \$20.00 and 65 per cent over \$30.00. I charge 50c for a hair cut and 20c for a shave and a barber gets his percentage on these charges. I want to and I am going to give a ticket away on each shave and hair cut the same as below. For this reason the barber union will not give me a union shop card. They say they have a right to tell me what I must do with my 35c which is strictly against public policy and the Sherman Anti Trust law, and for other offenses their union could be dissolved. There is not a law in their by-laws, shop agreement or constitution that I am not willing to live up to. Some one must have been a knocker.
